

PERMANENT PLAQUES

DID YOU JUST GET AN INVITATION TO A PARTY?

Celebrate this special occasion by having all who are included pool their gift money and present the honoree with a permanent plaque. The plaque will be displayed on the walls of the Sylvester Comprehensive Cancer Research Center.

A beautiful personalized certificate will be inscribed with their name and occasion for you to present to the celebrant along with

a scroll  listing all the participants.

The minimum donation is \$200. If you reach at least \$500 a larger plaque is displayed. For \$1000 the plaque will be placed on the very impressive "Major Contributors Wall"

Plaques can also be purchased and placed on the memory wall.
